AQUA ZUMBA: Jump in for the ultimate NO IMPACT dance party! Same great zumba music and moves for a total body workout in the water.

ARTHRITIS FOUNDATION: This class is designed to improve joint flexibility and is taught by a A.A. certified instructor.

DEEP WATER RUNNING: This class works on muscle tone in your lower body and is held in deep water using a specialized floatation device. Must be comfortable in deep water!

FRIDAY FINALE: A variety of water exercises from all the aquatic fitness classes.

MOVING & GROOVING: A total body water workout set to upbeat music in the shallow end of the pool.

POOL POWER: High energy shallow water aerobics.

RIDING THE TIDE: A shallow water workout doing various exercises using noodles.

WALKING & ROCKING: A shallow water workout set to upbeat music using various moves across the shallow end.

WATER ENERGIZER This class is a low impact aerobics to stretch and tone your body.
